

GREEN is the new **black**
RIENT STOOL

caption design

RIENT Stool discusses chair proportions and stool functionality in a product inspired by Asian architecture, which evokes images of 1930s leather strapped luggage and old world train travel.

RIENT Stool is manufactured from 100% recycled (and recyclable) polyethylene, and 100% natural gum rubber.

**So no matter what colour your
RIENT Stool is it's GREEN!**
